25X6 1. I am enclosing an intelligence memorandum entitled [redacted] This memorandum was prepared by our people following the phone call from you on Sunday evening. At the request of the DCI the paper was discussed directly with Mr. William McC. Martin, Chairman of the Board of Governors of the Federal Reserve System, who said that the Federal Reserve agrees entirely with the analysis in the paper. Additional copies of the paper were then sent to the President, Secretary of the Treasury Fowler, Mr. McNamara, Mr. Katzenbach, and Mr. Rostow. Because of the sensitive nature of the information which you furnished us no additional distribution was made.

2. We would appreciate it if you would let [redacted] read this memorandum and inform him of its distribution. Please convey our thanks to him for the very useful and timely information he has been furnishing to us, particularly during the last month.
